EIGHT O'CLOCK REPORT - EXERCISE

USS ASHBY (FICTIONAL) - 2026-11-01 2000Z

From: Executive Officer (exercise role)

OPERATIONS

Next event and delivery windows are recorded in the exercise schedule.

ENGINEERING

No change to the fictional propulsion plant status is reported.

SUPPLY

All part quantities and delivery dates in this report are invented.

TRAINING

The training team expects the next review to finish on schedule.

This is tentative narrative evidence, not an operational assessment.
